If the accepting account will use Average Cost, the new owner must sign above indicating acceptance of the shares at fair market value on the date of the gift.

<sup>1</sup> If a reason is not provided, this transfer will be defaulted to a transfer due to gift.

<sup>2</sup> There is a special rule under the estate tax that allows the executor (the person in charge of the estate) to elect a different valuation date in certain cases. If the estate qualifies for this election and the executor makes the election, the valuation date is six months after the date of death. The principal reason for making this election is to reduce the amount of estate tax, but the election also has an effect on income tax because it means you will now use the later date to determine your basis.

### If this transfer is due to the death of one or more of the current owners:

I certify that all taxes, funeral expenses, debts and claims against the deceased's estate have been paid or will be paid by the recipient(s) listed in Section 2, and no person, firm, association, or corporation other than the recipient(s) listed in Section 2 has (have) any right, title, claim, equity, or interest in, to, or respecting the estate or the shares to be transferred or the proceeds thereof.

For your protection, Nuveen may require additional verification of your identity before accepting your transaction as in good order. You agree that your transaction will be valued as of the market close on the business day that all of the steps necessary to verify your identity and the transaction to be in good order have been completed. You also agree that in the event these steps are completed after the market close on a business day, then your transaction will be valued as of the market close on the next business day. The amount of money that you receive will depend on the share or unit price on the day on which your transaction is deemed to be in good order. Due to market fluctuations, the price your shares or units ultimately receive could be less than the share or unit price when you initiated this transaction. It is also possible that if we are unable to reach you to verify this transaction within five days, this transaction may be canceled.

Under penalties of perjury, I certify that: (1) The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and (3) I am a U.S. citizen or other U.S. person; and (4) the FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct and (5) the facts stated on this form are true and correct.
