**4. COST BASIS ELECTION METHOD FOR NON-IRA ACCOUNTS (CHOOSE ONE.)**

Please select one of the cost basis determination methods from the list below. If you select the Specific Lot Identification method, you are required to select a secondary cost basis method; otherwise, you will be defaulted into First In First Out as your secondary cost basis method.

- ☐ **ACST – Average Cost**  
A method that calculates the gain/loss by adding up the number of shares owned as well as the total dollar amount of the shares; the dollar amount is divided by the number of shares. The average price of covered securities is calculated separately from non-covered securities, as if they were in two accounts.
- ☐ **FIFO – First In First Out**  
A standing order to sell the oldest shares in the account first.
- ☐ **LIFO – Last In First Out**  
A standing order to sell the newest shares in the account first.
- ☐ **HCFO – High Cost First Out**  
A standing order to sell the most expensive shares in the account first.
- ☐ **LCFO – Low Cost First Out**  
A standing order to sell the least expensive shares in the account first.
- ☐ **LGUT – Loss/Gain Utilization**  
A method that evaluates losses and gains and then systemically selects lots based on that gain/loss in conjunction with a holding period.
- ☐ **SLID – Specific Lot Identification**  
The shareholder designates specific shares for each redemption.

**Secondary Reporting Method Required (SLID only)**

My non-covered shares (purchased prior to 1/1/2012) should be recorded ☐ Average Cost or ☐ the cost basis method elected on the account

If you retain Average Cost as the cost basis method on your non-covered shares but have elected a cost basis method other than Average Cost or SLID for your covered shares, then the non-covered shares in your account will be depleted before the covered shares in a First In First Out manner.

## 12. SIGNATURE(S)

To request assistance with accessing a prospectus, privacy policy, or business continuity policy please contact us at **800-257-8787**.

For your protection, Nuveen Funds may require additional verification of your identity before accepting your transaction as in good order. You agree that your transaction will be valued as of the market close on the business day that all of the steps necessary to verify your identity and the transaction to be in good order have been completed. You also agree that in the event these steps are completed after the market close on a business day, then your transaction will be valued as of the market close on the next business day. The amount of money that you receive will depend on the share or unit price on the day on which your transaction is deemed to be in good order. Due to market fluctuations, the price your shares or units ultimately receive could be less than the share or unit price when you initiated this transaction. It is also possible that if we are unable to reach you to verify this transaction within five days, this transaction may be canceled.

Please sign exactly as the name(s) of the registered owner(s) appear(s) on your Account Confirmation Statements. All owners must sign.

This paragraph is only applicable if you added a Trusted Contact in Section 11. I hereby authorize Nuveen Funds and its affiliates ("Nuveen Funds") to contact the person(s) I have listed above ("Contact") in the event Nuveen Funds has questions or concerns regarding my ability to handle my financial affairs (due to health-related matters or otherwise), potentially harmful financial transactions in my accounts or my whereabouts. In order to address any such questions or concerns, when speaking to my Contact, Nuveen Funds is authorized to: i. Share with the Contact nonpublic information about me and all of my investments/accounts/products/contracts held at Nuveen Funds and its affiliates now or in the future (or any other financial information I may have provided to Nuveen Funds), regardless of any previous election I have made under federal, state or other law regarding the sharing of such information; ii. Share with the Contact any concerns and details surrounding my potential financial exploitation; iii. Confirm with the Contact the specifics of my current contact information and/or health status; iv. Discuss with the Contact whether any other person has been designated to act on my behalf (through power of attorney, Executor, Trustee or legal guardian or otherwise); and v. Share information obtained from the Contact with its affiliates. I understand this authorization will remain in effect until I notify Nuveen Funds in writing that I am revoking or amending such authority and Nuveen Funds acknowledges the receipt of such revocation and/or amendment. Except as may be required by FINRA Rule 2165, Nuveen Funds is under no obligation to speak to, write to or otherwise interact with the Contact. Nuveen Funds is not responsible for any action taken by the Contact, and Nuveen Funds will not direct the Contact to take any particular action on my behalf. Nuveen Funds suggests that the named Contact(s) not be someone authorized to transact business on the account, or who is already otherwise able to receive the information described above. By signing, I am affirming that the trusted contact person(s) listed in this form are at least 18 years old and, to the best of my knowledge, do not work for Nuveen Funds or its affiliates.
