Important Information Regarding Your Monthly Distribution

February 28, 2023: This notice provides shareholders with information regarding fund distributions, as required by current securities laws. *THIS NOTICE IS FOR INFORMATIONAL PURPOSES ONLY. NO ACTION IS REQUIRED ON YOUR PART.*

- The Fund seeks to establish a stable monthly distribution that roughly corresponds to the net cash flow received from investments in portfolio securities.
- Cash flow received from certain investments in securities may be characterized differently for financial reporting than for tax reporting.
- While the reported sources of distributions may include capital gains and/or return of capital for tax purposes, the fund intends to distribute only the net cash flow received as opposed to a distribution rate based on long-term total return.
- Actual amounts and sources for tax reporting purposes will be determined as of the Fund's fiscal year-end and reported to shareholders on Form 1099-DIV.

The table below provides an estimate of the fund's 2023 year-to-date distribution sources.
