

PSG SHAREHOLDER IRREVOCABLE UNDERTAKING

To: Pantheon, LLC ("**Bidco**")

and

Schroders plc ("**Schroders**")

12 February 2026

Dear Sir/Madam

Proposed acquisition of Schroders

1. ACQUISITION

- 1.1 In this undertaking (the "**Undertaking**"), the "**Acquisition**" means the proposed acquisition by or on behalf of Bidco of all the issued and to be issued ordinary share capital of Schroders, to be implemented by way of a court sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Scheme**") between Schroders and the holders of its ordinary shares, and substantially on the terms and conditions (including Bidco's right to implement the Acquisition by way of a takeover offer (as such term is defined in section 974 of the Companies Act 2006 (an "**Offer**")) set out or referred to in the press announcement proposed to be made under Rule 2.7 of the Takeover Code and attached to this Undertaking as Appendix A (subject to the inclusion of any alternative or additional terms and conditions as may be required to comply with the requirements of the Panel on Takeovers and Mergers (the "**Panel**"), any applicable law or regulation, or as agreed between Bidco and Schroders) (the "**2.7 Announcement**").
- 1.2 This Undertaking is given in consideration of Bidco agreeing (subject to paragraph 12.4 below) to proceed with the Acquisition.
- 1.3 This Undertaking is given by us solely in our capacity as a private trustee company which acts as the trustee of certain trusts (together the "**Trusts**" and each a "**Trust**"), being holders of Schroders Shares (as defined below) (including, where appropriate, in our capacity as persons able to control the exercise of all rights, including voting rights, attaching to Shares) and not in any other capacity.
- 1.4 In connection with the confirmations given by us in this Undertaking and our related obligations (in particular the matters set out paragraph 3.3), we confirm that each of Flvida Limited and Fervida Limited in their capacities as protectors of certain of the Trusts have given their prior written consent to our entry into this Undertaking, and the matters contemplated by it, in respect of those Trusts to which they are appointed as protectors.

2. CONDITION OF UNDERTAKING

- 2.1 The obligations in paragraphs 3 to 8 and 10 of this Undertaking are conditional only on the 2.7 Announcement being released no later than 6.00 p.m. on the date of this Undertaking (or such later time or date as Schroders and Bidco may agree).

3. **OWNERSHIP OF SHARES**

We hereby irrevocably undertake, represent and warrant to Bidco and Schroders that:

- 3.1 We have full discretionary management control over the number of ordinary shares of 20 pence each in the capital of Schroders (the "**Schroders Shares**") specified in Schedule 1 (the "**Existing Schroders Shares**") and we have the power and authority to exercise or to procure the exercise of all voting rights which the Existing Schroders Shares carry, the power and authority to accept or to procure an effective acceptance of an Offer in respect of all the Existing Schroders Shares and the power and authority to sell and transfer all the Existing Schroders Shares or to procure their sale and transfer free of any charge, equity, option, lien or other encumbrance;
- 3.2 save as set out in Schedule 1, we and our subsidiaries and the Trusts are not interested in any other shares or other securities of Schroders and we do not have any rights to subscribe, purchase or otherwise acquire any shares or other securities of Schroders; and
- 3.3 we have full power and authority and the right (free from any legal or other restrictions), and will at all times continue to have all relevant power and authority and the right, to enter into this Undertaking, to perform the obligations in this Undertaking in accordance with its terms, to exercise (or, where applicable, procure the exercise of) all voting rights attaching to the Shares (as defined below) and otherwise to take all necessary actions (or procure that they are taken) to approve the Scheme in respect of, and to transfer, the Shares (as defined below).

4. **DEALINGS AND UNDERTAKINGS**

We hereby irrevocably undertake to Bidco and Schroders that, other than pursuant to the Acquisition and subject to paragraph 4.5, we shall not (and, where applicable, shall procure that the registered holder and the Trusts shall not) before this Undertaking lapses in accordance with paragraph 9 below:

- 4.1 sell, transfer, charge, encumber, create or grant any option, equity, third party right or lien over or otherwise dispose of (or permit any such actions to occur in respect of) any interest in the Existing Schroders Shares, or any other Schroders Shares issued or unconditionally allotted to, or otherwise acquired by us or our subsidiaries or the Trusts, or any further shares in the capital of Schroders in respect of which we and our subsidiaries and the Trusts become the registered holder or beneficial owner, before then, or any other shares or interests in shares attributable to or deriving from such shares (the "**Further Schroders Shares**" and together with the Existing Schroders Shares, the "**Shares**"); or
- 4.2 accept, or give any undertaking (whether conditional or unconditional) or letter of intent to accept or otherwise agree to, in respect of the Shares, any offer, or approve any offer, made or proposed (whether to be implemented by way of a contractual offer, scheme of arrangement or otherwise) for any securities in Schroders, by any person other than Bidco (and/or its concert parties); or
- 4.3 purchase, acquire (or permit any purchase or acquisition of) any Schroders Shares or other relevant securities of Schroders (or any interest therein) without prior confirmation from the Panel that we are not deemed to be acting in concert with Bidco in connection with the

Acquisition, and we shall notify Bidco promptly of any such purchase or acquisition and of any other dealing or change in the number of Shares subject to this Undertaking; or

4.4 enter into any agreement or arrangement, incur any obligation or give any indication of intent (or permit such circumstances to occur):

4.4.1 to do all or any of the acts referred to in paragraphs 4.1 to 4.3 above; or

4.4.2 in relation to, or operating by reference to, the Shares, which would or might restrict or impede giving effect to the Scheme by any person, or our or the Trusts' ability to comply with this Undertaking,

and, for the avoidance of doubt, references in this paragraph 4.4 to any agreement, arrangement or obligation shall include any such agreement, arrangement or obligation, whether or not legally binding or subject to any condition, or which is to take effect upon or following the Scheme lapsing or being withdrawn, or upon or following this Undertaking ceasing to be binding, or upon or following any other event.

4.5 Nothing in this paragraph 4 shall prevent the Trustees from procuring the transfer of any Shares (A) between any of the Trusts; or (B) to any beneficiary of any of the Trusts, subject always to (i) (in the case of a transfer to a beneficiary only) such beneficiary having entered into an irrevocable undertaking in favour of Bidco on materially the same terms as this Undertaking (save for paragraph 9.1.6, which shall not be included in the irrevocable undertaking given by such beneficiary) prior to such transfer, and (ii) Bidco being notified of the intention to effect such transfer at least five business days prior to its completion.

5. **UNDERTAKING TO VOTE IN FAVOUR OF THE SCHEME**

5.1 We accept and agree to the terms of the Scheme and hereby irrevocably undertake on the terms of this paragraph 5 in respect of the Shares.

5.2 Unless and until this Undertaking lapses in accordance with paragraph 9, we hereby irrevocably undertake to Bidco and Schrodgers to:

5.2.1 exercise (or, if applicable, procure the exercise of) all voting rights attaching to the Shares to vote in favour of all shareholder resolutions of Schrodgers to approve, implement or effect the Scheme, the Acquisition and any related matters (including any proposed amendments to the Schrodgers articles of association), proposed at any general or class meeting or any adjournment or postponement thereof ("**General Meeting**") or Court-convened meeting or any adjournment or postponement thereof ("**Court Meeting**") of Schrodgers to be convened and held in connection with the Scheme and the Acquisition (the "**Schrodgers Resolutions**");

5.2.2 (i) complete and execute (or procure the completion and execution of) all relevant forms of proxy or CREST proxy instructions in respect of all of the Shares validly appointing any person nominated by us and acceptable to Bidco to attend and vote at any General Meeting or Court Meeting in favour of the Schrodgers Resolutions; and (ii) lodge or submit (or procure the lodgement or submission of) such executed forms of proxy or CREST proxy instructions by no later than the earlier of (A) 5.00 p.m. on the fifth business day after Schrodgers publishes the scheme document setting out the terms and conditions of the Scheme (the

"**Scheme Document**") (or, in respect of Further Schroders Shares, by 5.00 p.m. on the date which is the fifth business day after acquiring an interest in such Shares, if later), provided that, in each case, if the Court Approval (as defined in paragraph 9.1.6(b) below) has not been obtained at that point, such deadline shall be deemed to be no later than 5 business days after the Court Approval is obtained; and (B) the proxy deadline as set out in the relevant notice of meeting;

5.2.3 not withdraw, revoke or amend any proxy submitted in accordance with paragraph 5.2.2, either in writing or by attendance at any General Meeting or Court Meeting or otherwise; and

5.2.4 execute (or procure the execution of) all such documents or do (or procure the doing of) such acts and things as may be necessary or desirable to be executed or done by us for the purposes of giving effect to this Undertaking.

5.3 We irrevocably undertake that Bidco will acquire the Shares pursuant to the Acquisition, which provides for the transfer of the Shares to Bidco fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights attaching or accruing to them on and from the Effective Date, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions and any return of capital or value (whether by reduction of share capital or share premium account, share buy-backs or otherwise) declared, made, paid or becoming payable by reference to a record date falling on or after the Effective Date, save as otherwise set out in the 2.7 Announcement.

6. **VOTING RIGHTS AND PREJUDICIAL ACTION**

Unless and until this Undertaking lapses in accordance with paragraph 9, we hereby irrevocably undertake that:

6.1 we shall not exercise (or, where applicable, shall procure no exercise of) any of the voting rights attached to the Shares at any Court Meeting or General Meeting other than in accordance with this Undertaking, but nothing in this Undertaking shall prevent us from voting the Shares as we see fit on customary resolutions to be put to Schroders shareholders at the AGM;

6.2 we shall otherwise exercise (or, where applicable, procure the exercise of) the voting rights attached to the Shares on any resolution which would assist implementation of the Acquisition if it were passed or rejected at a general, class or other meeting of Schroders shareholders (a "**Resolution**") only in accordance with Bidco's reasonable directions;

6.3 we shall exercise (or, where applicable, procure the exercise of) all rights attaching to the Shares to requisition or join in the requisition of any general, class or other meeting of Schroders shareholders for the purpose of considering any such Resolution and require Schroders to give notice of such Resolution, in each case, only in accordance with Bidco's reasonable directions;

6.4 we shall exercise (or, where applicable, procure the exercise of) the voting rights attached to the Shares against any resolution (whether at any general, class or other meeting or otherwise) that might, if passed, impede, frustrate, delay or disrupt the implementation of the Acquisition in any way, including any resolution that (i) purports to approve or give

effect to a proposal by a person other than Bidco or its concert parties, to acquire (or have issued to it) any shares or other securities of Schroders (whether by way of scheme of arrangement or otherwise) or any assets of Schroders; or (ii) is to approve a matter for the purposes of Rule 21.1 of the Takeover Code (save where Bidco directs us to exercise (or, where applicable, procure the exercise of) the voting rights attached to the Shares for any such resolution); and

- 6.5 for the purposes of this paragraph 6, we shall execute (or procure the execution of) any form of proxy required by Bidco appointing any person nominated by us and acceptable to Bidco to attend and vote at the relevant meeting (or any adjournment or postponement thereof).

7. **CONSENTS**

We agree to:

- 7.1 promptly inform you of all information in connection with the Shares and this Undertaking that you may require in order to comply with the requirements of the Takeover Code, the Panel, the Court or of any other applicable law or regulation and immediately notify you in writing of any material change in the accuracy or import of any such information and consent to the public disclosure of such information;
- 7.2 the issue of the 2.7 Announcement with the references to us and any other registered holder of any of the Shares in which we or the Trusts have (or will have as the case may be) effective control over the voting rights of or a beneficial interest and to the particulars of this Undertaking;
- 7.3 particulars of this Undertaking being set out in any other announcement or document issued in connection with the Acquisition and in the Scheme Document; and
- 7.4 this Undertaking being available for inspection until the end of the Acquisition (and any related competition reference period) in accordance with Rule 26 of the Takeover Code and as required by applicable laws and regulations.

8. **PROCUREMENT**

We irrevocably undertake to cause the Trusts and any registered holders of the Shares to comply with all relevant undertakings in paragraphs 2 to 7 (inclusive) above in respect of such Shares.

9. **LAPSE OF UNDERTAKING**

- 9.1 All of our obligations pursuant to this Undertaking will lapse and cease to have effect on the earlier of the following occurrences:
- 9.1.1 the 2.7 Announcement is not released by 6.00 p.m. on the date of this Undertaking, or such later time or date as Schroders and Bidco may agree; or
- 9.1.2 the Scheme lapses or is withdrawn in accordance with its terms and Bidco publicly confirms that it does not intend to proceed with the Acquisition or to implement the Acquisition by way of an Offer or otherwise; or

- 9.1.3 if Bidco announces its valid and binding election to implement the Acquisition by way of an Offer and the formal document containing the Offer (the "**Offer Document**") is not published within 28 days (or such longer period as the Panel may agree) after the date of the announcement of such election unless, on or before that date (as extended, if applicable), Bidco announces its election to implement the Acquisition by way of a Scheme or otherwise; or
- 9.1.4 Bidco announces, with the consent of the Panel, that it does not intend to make or proceed with the Acquisition and no new, revised or replacement offer or scheme is announced in accordance with Rule 2.7 of the Takeover Code at the same time; or
- 9.1.5 the Scheme has not become effective by the Long Stop Date (as defined in the 2.7 Announcement); or
- 9.1.6 if the Acquisition is proposed to be implemented (i) via a Scheme, the date of the Court Meeting (or, if later, the date of any adjourned Court Meeting); or (ii) via an Offer, 5:00 p.m. on the unconditional date, provided that we have validly notified Bidco in writing that this Undertaking shall lapse on that date (such notice being the "**Lapse Notice**"), and provided further that a Lapse Notice shall only be capable of being validly given if:
- (a) where the Acquisition is proposed to be implemented (i) via a Scheme, the Lapse Notice is delivered to Bidco no earlier than one business day prior to the date of the Court Meeting (or, if later, the date of any adjourned Court Meeting); or (ii) via an Offer, the Lapse Notice is delivered to Bidco no earlier than one business day prior to the Unconditional Date; and
 - (b) as at the date on which the Lapse Notice is given, the Royal Court of Jersey has not given its approval or equivalent relief to the entry into and performance of this Undertaking in accordance with its terms under the Public Trustee v Cooper jurisdiction as applied in accordance with the laws of Jersey (the obtaining of such approval or equivalent relief being the "**Court Approval**"); and
 - (c) the Lapse Notice includes a confirmation that we have used all reasonable efforts to obtain the Court Approval as soon as possible after the date of this Undertaking and prior to the date of the Lapse Notice.
- 9.2 If the obligations in this Undertaking lapse, we shall have no claim against Bidco or Schroders and neither Bidco nor Schroders shall have any claim against us, other than in respect of any prior breach of any of the terms of this Undertaking.

10. **SCHEME OF ARRANGEMENT OR OFFER**

We note that Bidco reserves the right to implement the Acquisition by way of an Offer. In the event that it is so implemented, we confirm and agree that this Undertaking shall continue to be binding *mutatis mutandis* in respect of all of the Shares and all references to the Scheme shall, where the context permits, be read as references to the Offer (or to

both the Scheme and the Offer, as appropriate). Notwithstanding the generality of the foregoing, references in this Undertaking:

- 10.1 to voting in favour of the Scheme and voting in favour of the resolutions to be proposed at the Court Meeting and/or the General Meeting shall be read and construed as references to accepting the Offer, which acceptances in such circumstances shall be tendered by 1.00 p.m. on the fifth business day after the day of publication of the Offer Document (or, if the Court Approval has not been obtained at that point, no later than 5 business days after the Court Approval is obtained and in any event prior to the deadline for acceptance on the unconditional date), and even if the terms of the Offer (or applicable law or regulation) give accepting shareholders the right to withdraw acceptances, we shall not withdraw (and we shall not procure the withdrawal of) the acceptances in respect of any of the Shares. We further undertake, if so required by Bidco, to execute (or procure the execution of) all such other documents or do (or procure the doing of) such other acts as may be necessary or desirable for the purpose of giving Bidco the full benefit of our undertakings hereunder;
- 10.2 to the Scheme becoming effective shall be read as references to the Offer becoming unconditional;
- 10.3 to the Scheme lapsing or being withdrawn shall be read as references to the lapsing or withdrawal of the Offer; and
- 10.4 to the Scheme Document shall be read as references to the Offer Document (for the avoidance of doubt, references to the Offer Document in paragraph 9.1.3 shall only be read as the Offer Document).

11. **TIME IS OF THE ESSENCE**

Any time, date or period referred to in this Undertaking may be extended by mutual agreement, but as regards any time, date and period originally fixed or as extended, time shall be of the essence. All times referred to in this Undertaking are London times unless otherwise stated.

12. **MISCELLANEOUS**

- 12.1 In the event that the Scheme is modified or amended pursuant to the requirements of, or with the approval of, the Court and in accordance with the terms of the Scheme, we confirm and agree that (except where such modification or amendment would adversely affect our rights or interests as a Schroders shareholder) this Undertaking shall continue to be binding *mutatis mutandis* in respect of the Shares.
- 12.2 We agree that damages would not be an adequate remedy for breach of this Undertaking and, accordingly, Bidco shall be entitled to the remedies of specific performance, injunction or other equitable remedies.
- 12.3 The *ejusdem generis* principle of construction shall not apply to this Undertaking. Any phrase introduced by the terms "other", "including", "include" and "in particular" or any similar expression shall be construed as illustrative and shall not limit the sense of the words following or preceding those terms.

- 12.4 We acknowledge that the release of the 2.7 Announcement is at Bidco's absolute discretion. For the avoidance of doubt, nothing in this Undertaking shall oblige Bidco to make any announcement or proceed with the Acquisition (whether pursuant to the Scheme, the Offer or otherwise).
- 12.5 We understand and confirm that, until the 2.7 Announcement is released, the fact that the Acquisition is under consideration and the terms and conditions of the Acquisition constitute inside information, and we shall keep such information strictly confidential save as required by any applicable law or competent regulatory authority or pursuant to the UK Listing Rules, the Market Abuse Regulation (as in force in the United Kingdom) or the Takeover Code.
- 12.6 This Undertaking shall bind the trustees of the Trusts.
- 12.7 In this Undertaking, references to:
- 12.7.1 "**Acquisition**" shall include any new, increased, renewed or revised acquisition proposal made by or on behalf of Bidco howsoever implemented;
- 12.7.2 "**acting in concert**", "**business day**", "**dealing**", "**offer period**", "**relevant securities**" and "**unconditional date**" shall be interpreted in accordance with the Takeover Code as from time to time amended and interpreted by the Executive of the UK Takeover Panel (and "**concert party**" shall be construed accordingly);
- 12.7.3 "**AGM**" means Schrodgers' annual general meeting to be held on 16 April 2026;
- 12.7.4 "**Court**" shall have the meaning given in the 2.7 Announcement;
- 12.7.5 "**Effective Date**" shall have the meaning given in the 2.7 Announcement;
- 12.7.6 being "**interested in**" or having "**interests in**" shares or securities shall be construed in accordance with the Takeover Code as from time to time amended and interpreted by the Panel, as well as Part 22 of the Companies Act 2006;
- 12.7.7 "**Offer**" shall include any new, increased, renewed or revised proposal made by or on behalf of Bidco, implemented by way of a takeover offer (as such term is defined in section 974 of the Companies Act 2006, as amended from time to time);
- 12.7.8 "**Scheme**" shall include any new, increased, renewed or revised proposal made by or on behalf of Bidco, implemented by way of a scheme arrangement under Part 26 of the Companies Act 2006, as amended from time to time; and
- 12.7.9 "**Takeover Code**" means the City Code on Takeovers and Mergers as amended from time to time.

13. **GOVERNING LAW AND JURISDICTION**

This Undertaking and all non-contractual obligations arising from or in connection with this Undertaking are governed by and construed in accordance with English law. We submit to the exclusive jurisdiction of the English courts to decide any dispute arising from or connected with this Undertaking (including a dispute regarding the existence, validity or termination of this Undertaking or relating to any non-contractual or other obligation arising out of or in connection with this Undertaking or its formation) (a "**Dispute**"). We agree that the English courts are the most appropriate and convenient courts to decide any Dispute and, accordingly, we will not argue to the contrary.

FOR IMMEDIATE RELEASE

12 February 2026

Recommended Cash Acquisition

of

Schroders plc (“Schroders”)

by

Pantheon, LLC (“Bidco”)

a newly incorporated subsidiary of Nuveen, LLC (“Nuveen”), a Teachers Insurance and Annuity Association of America (“TIAA”) company

- The board of Nuveen and the board of Schroders are pleased to announce that they have agreed the terms of a recommended cash acquisition by Bidco to acquire the entire issued and to be issued share capital of Schroders.
- Under the terms of the Transaction, each Schroders Shareholder will be entitled to receive a **total value of up to 612 pence per Schroders Share**. This comprises:
 - **Cash Consideration of 590 pence per Schroders Share**; and
 - **Permitted Dividends of up to 22 pence (in aggregate) per Schroders Share**, which Schroders Shareholders may receive and retain if declared or paid prior to the Effective Date without any reduction to the Cash Consideration.
- The Cash Consideration represents a premium of approximately:
 - 29 per cent. to the Closing Price of 456 pence per Schroders Share on 11 February 2026 (being the last Business Day before this announcement);
 - 42 per cent. to the volume-weighted average price of 417 pence per Schroders Share for the three-month period ended on 11 February 2026; and
 - 55 per cent. to the volume-weighted average price of 381 pence per Schroders Share for the twelve-month period ended on 11 February 2026.
- If the Permitted Dividends are declared and paid in full, the Transaction values the entire issued and to be issued share capital of Schroders at approximately **£9.9 billion** on a fully diluted basis and represents a premium of approximately:
 - 34 per cent. to the Closing Price of 456 pence per Schroders Share on 11 February 2026 (being the last Business Day before this announcement);
 - 47 per cent. to the volume-weighted average price of 417 pence per Schroders Share for the three-month period ended on 11 February 2026; and
 - 61 per cent. to the volume-weighted average price of 381 pence per Schroders Share for the twelve-month period ended on 11 February 2026.

- If the Permitted Dividends are declared and paid in full, the Transaction value implies a multiple of 17 times Schroders' adjusted operating profit after tax attributable to equity holders of Schroders for the financial year ended 31 December 2025.
- In support of the Transaction, Bidco has received irrevocable undertakings in respect of a total of 671,032,159 Schroders Shares representing approximately 42 per cent. of the issued share capital of Schroders (as at the Latest Practicable Date) from the Principal Shareholder Group Trustee Companies and the Schroders Directors who (or whose immediate family) hold Schroders Shares.

Transaction overview

- Nuveen's and Schroders' businesses are highly complementary and the Transaction represents an opportunity to combine their strengths to accelerate growth, better serve clients and create one of the world's largest global active asset managers. The Combined Group will have nearly \$2.5 trillion of assets under management ("**AUM**") balanced across institutional and wealth channels.
- The ownership structure of TIAA, and the long-standing family commitment to Schroders, which have been developed over approximately 110 and 220 years respectively, have fostered closely aligned organisational cultures. Both organisations share a strong commitment to investment performance, client service excellence, leadership in sustainability and innovation.
- Nuveen recognises Schroders' position as a pre-eminent financial institution with a deep-rooted history and strong brand recognition, similar to Nuveen and TIAA. The Schroders brand will be retained and London will serve as the Combined Group's non-US headquarters and largest office, with c.3,100 professionals. The Combined Group expects to deliver significant benefits to the UK as a global financial centre, enabling more long-term capital to be channelled into the economy by deepening the pool of investment capital, while reinforcing London's role in global asset and wealth management. Schroders remains committed to supporting the UK capital markets and, in the event that Nuveen and Bidco were to consider an initial public offering of Schroders or the Combined Group in future, Nuveen and Bidco would (subject to an appropriate analysis at the time) intend to list on the London Stock Exchange as one of the dual listing venues.
- As Schroders' results for the financial year ended 31 December 2025 demonstrate, Schroders is making significant progress against its three-year transformation programme and this has been reflected in the recent strong share price performance. Whilst this positive momentum gives the board of Schroders confidence in the execution of its current strategy, after a series of approaches by Nuveen, the board believes that the terms of the Transaction represent attractive and certain value for shareholders, at an attractive multiple and at premiums that reflect both the value that would have otherwise been delivered over time as Schroders executes its standalone strategy, as well as upfront value for the significant benefits that are expected to arise from the combination with Nuveen over the longer term. The board of Schroders is accordingly intending to unanimously recommend the Transaction to Schroders Shareholders.
- In light of the expected timetable to obtain certain required regulatory approvals, the Transaction is currently expected to become Effective during Q4 2026, subject to the satisfaction or (where applicable) waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement.

William Huffman, the Chief Executive Officer of Nuveen commented:

"Through this exciting and transformational step for both of our distinguished firms, we look forward to welcoming Schroders into the Nuveen family. By bringing our complementary platforms, capabilities, distribution networks and cultures together, we will create an extraordinary opportunity to enhance the way we serve our collective clients through access to new markets,

bolstered product offerings, and deeper pools of investment talent. This transaction is about unlocking new growth opportunities for wealth and institutional investors around the world by giving our leading, differentiated public-to-private platform a broader global presence”.

Dame Elizabeth Corley, the Chair of Schroders commented:

“The Combined Group will bring together two successful firms with shared values and highly complementary strengths to create a new global leader in public-to-private investment management. Building on Schroders’ heritage, London will remain at the heart of this enlarged business and the transaction will deliver an attractive premium in cash to our shareholders, reflecting the value of our business and its future prospects. The board of Schroders is confident that this is the right step for our shareholders, clients and people.”

Richard Oldfield, the Group Chief Executive of Schroders commented:

“In a competitive landscape where scale can help deliver benefits, in Nuveen we see a partner that shares our values, respects the culture we have built and will create exciting opportunities for our clients and people. The transaction will significantly accelerate our growth plans to create a leading public-to-private platform with enhanced geographic reach and a strengthened balance sheet. Together, we can create an exceptional opportunity to provide clients with a true breadth of high-quality solutions to meet their evolving needs.”

This summary should be read in conjunction with, and is subject to, the following full text of this announcement and its appendices. The Transaction will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Scheme Document. Appendix 2 to this announcement contains the sources of information and bases of calculation of certain information contained in this announcement. Details of the irrevocable undertakings received in relation to the Transaction are set out in Appendix 3 to this announcement. Certain terms used in this announcement are defined in Appendix 4 to this announcement.

FOR IMMEDIATE RELEASE

12 February 2026

Recommended Cash Acquisition

of

Schroders plc (“Schroders”)

by

Pantheon, LLC (“Bidco”)

a newly incorporated subsidiary of Nuveen, LLC (“Nuveen”), a Teachers Insurance and Annuity Association of America (“TIAA”) company

**to be effected by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The board of Nuveen and the board of Schroders are pleased to announce that they have agreed the terms of a recommended cash acquisition by Bidco to acquire the entire issued and to be issued share capital of Schroders, to be implemented by way of a scheme of arrangement.

2. The Transaction

It is intended that the Transaction will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006. The purpose of the Scheme is to enable Bidco to acquire the whole of the issued and to be issued share capital of Schroders.

Under the terms of the Transaction, which will be subject to the Conditions and other terms set out in this announcement and to further terms to be set out in the Scheme Document, each Schroders Shareholder will be entitled to receive a **total value of up to 612 pence per Schroders Share**. This comprises **Cash Consideration of 590 pence per Schroders Share**, with each Schroders Shareholder also entitled to receive and retain **Permitted Dividends of up to 22 pence (in aggregate) per Schroders Share** declared or paid prior to the Effective Date without any reduction to the Cash Consideration.

The Cash Consideration represents a premium of approximately:

- 29 per cent. to the Closing Price of 456 pence per Schroders Share on 11 February 2026 (being the last Business Day before this announcement);

- 42 per cent. to the volume-weighted average price of 417 pence per Schroders Share for the three-month period ended on 11 February 2026; and
- 55 per cent. to the volume-weighted average price of 381 pence per Schroders Share for the twelve-month period ended on 11 February 2026.

If the Permitted Dividends are declared and paid in full, the Transaction values the entire issued and to be issued share capital of Schroders at approximately **£9.9 billion** on a fully diluted basis and represents a premium of approximately:

- 34 per cent. to the Closing Price of 456 pence per Schroders Share on 11 February 2026 (being the last Business Day before this announcement);
- 47 per cent. to the volume-weighted average price of 417 pence per Schroders Share for the three-month period ended on 11 February 2026; and
- 61 per cent. to the volume-weighted average price of 381 pence per Schroders Share for the twelve-month period ended on 11 February 2026.

If the Permitted Dividends are declared and paid in full, the Transaction value implies a multiple of 17 times Schroders' adjusted operating profit after tax attributable to equity holders of Schroders for the financial year ended 31 December 2025.

It is expected that the Scheme Document (including further information about the Transaction and details and notices of the Court Meeting and the General Meeting) and the Forms of Proxy accompanying the Scheme Document will be published in March 2026 (and in any event within 28 days of this announcement, unless the Panel consents to a later date) and the Court Meeting and General Meeting are expected to be held in April 2026. The Scheme Document will specify the action to be taken by Schroders Shareholders and will contain an expected timetable for implementation of the Scheme.

In light of the expected timetable to obtain certain required regulatory approvals, the Transaction is currently expected to become Effective during Q4 2026, subject to the satisfaction or (where applicable) waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement.

3. Background to and reasons for the Transaction

The boards of Nuveen and Schroders believe that their businesses are highly complementary, and the Transaction represents an opportunity to combine their strengths to accelerate growth and better serve clients, while realising significant value for Schroders Shareholders.

Greater scale

Nuveen believes that the Transaction offers a compelling opportunity to bring together two complementary businesses to create a Combined Group that will become one of the world's largest global active asset managers, with nearly \$2.5 trillion of AUM, balanced across institutional and wealth channels.

The almost \$2.5 trillion in AUM for the Combined Group is expected to be split in the following approximate proportions:

- **By asset class:** 30 per cent. equities, 25 per cent. fixed income, 17 per cent. private markets, 10 per cent. multi-asset, 7 per cent. wealth management, 6 per cent. core solutions and 5 per cent. joint ventures and associates.

- **By client geography:** 57 per cent. in the Americas, 31 per cent. in EMEA and 12 per cent. in APAC.
- **By distribution channel:** 49 per cent. through wealth and intermediary channels, 46 per cent. through institutional channels and 5 per cent. through joint ventures and associates.

Nuveen believes that the current highly competitive global asset management industry increasingly favours well-capitalised investment firms with global footprints, strong brands and the ability to provide multi-asset, outcome-oriented solutions. Those firms' managers are better positioned to absorb rising fixed costs, invest in differentiated capabilities and provide clients across channels with access to a widening set of asset classes. Together, Nuveen and Schroders will be better placed to match international capital with growth opportunities and invest in data, AI and other technology in support of more tailored outcomes for clients.

Enhanced geographic reach

The Combined Group will have enhanced scale and capabilities in the world's largest investment markets and a global distribution reach across over 40 markets, enhancing the existing international footprint of each firm while maintaining a local presence in significant markets.

Clients will benefit from broader access to public-to-private capabilities, with Nuveen and Schroders complementing each other's distribution and investment platforms in the world's three largest asset management markets. Through Nuveen's distribution channels, Schroders will have scaled exposure to the US, the largest asset management market globally, and greater access to the Middle East. The Combined Group will also benefit from increased international scale in Asia-Pacific, the fastest growing asset and wealth management market globally. This enhanced access to wealth and institutional clients around the world will create a more globally balanced asset management business with greater geographic diversification and complementary avenues for growth.

Broader client capabilities

Nuveen and Schroders each recognise the importance of having diverse capabilities that span public and private markets. With the increasing demand for private markets allocations globally, the Combined Group will have a strategic focus on expanding its presence across key private markets asset classes.

Nuveen's private markets business oversees approximately \$316 billion in AUM. Schroders Capital oversees approximately \$98 billion in AUM. Together, they will form a private markets franchise with over \$414 billion in assets, creating one of the industry's largest alternatives platforms with access to capital increasing capacity to support investment in private assets globally. In addition, the Combined Group will also have a scaled, international fixed income capability, with \$613 billion of AUM, increasing Schroders' fixed income AUM from its current 11 per cent. to 25 per cent. As a result, the Combined Group will be positioned to deepen client relationships across these important growth opportunities.

Similarly, Nuveen and Schroders each recognise the growing opportunity presented by developing strategic partnerships with insurers. Nuveen will support Schroders' next phase of growth with insurers by providing access to Nuveen's long-standing insurance client relationships and the leading insurance platform operated by Nuveen's insurance company parent, TIAA, which includes one of the largest annuities businesses in the United States with a \$322 billion general account.

Nuveen and Schroders also share a strategic focus on driving future growth through the wealth channel. The Transaction will bring together the complementary strengths of Nuveen's scaled US wealth channel, TIAA's retirement businesses, and Schroders' UK private client and charities business, to support the development of a more globally diversified wealth management proposition to help protect and grow client investments while designing new solutions to meet their increasingly diverse needs.

The breadth and depth of combined capabilities across equities, fixed income, multi-asset, infrastructure, private capital, real estate and natural capital, brought together by the Transaction, will provide more opportunity to build resilient portfolios for both wealth and institutional clients through a unified, differentiated, and integrated public-to-private platform.

Shared cultures and values

The ownership structure of TIAA, and the long-standing family commitment to Schroders, which have been developed over approximately 110 and 220 years respectively, have fostered closely aligned organisational cultures. Both organisations share a strong commitment to investment performance, client service excellence, leadership in sustainability and innovation.

Nuveen recognises Schroders' position as a pre-eminent financial institution with a deep-rooted history and strong brand recognition, similar to Nuveen and TIAA. Accordingly, Nuveen's plan is to maximise each brand strategically with a commitment to serving all clients around the world. Nuveen intends to maintain Schroders' brand to preserve its long-established heritage and investment culture, which will support client continuity and reinforce confidence in the Combined Group's ability to deliver exceptional service.

The opportunity to combine best practices and learnings to create a stronger environment for the Combined Group's c.9,600 employees to thrive is an exciting one. Schroders' current CEO, Richard Oldfield, will continue as CEO of Schroders and will become a member of Nuveen's Executive Management Team. Nuveen intends to maintain Schroders' existing investment and client teams across both asset and wealth management, enabling clients to benefit from continuity and best-in-class client service. Employees from both companies will have access to enhanced career development across asset classes and regions.

Commitment to the UK

With key leadership roles based in the UK, the Combined Group will play an enhanced role in the UK financial services sector, supporting both the UK economy and enhancing the transatlantic partnership in financial services. London will serve as the Combined Group's non-US headquarters and its largest office, with c.3,100 professionals. The Combined Group is expected to deliver significant benefits to the UK as a global financial centre, enabling more long-term capital to be channelled into the economy by deepening the pool of investment capital, while reinforcing London's role in global asset and wealth management.

The Combined Group will remain committed to supporting the UK capital markets and, in the event that Nuveen and Bidco were to consider an initial public offering of Schroders or the Combined Group in future, Nuveen and Bidco would (subject to an appropriate analysis at the time) intend to list on the London Stock Exchange as one of the dual listing venues.

4. Recommendation

The Schroders Directors, who have been so advised by Wells Fargo, Barclays and J.P. Morgan Cazenove as to the financial terms of the Transaction, consider the terms of the Transaction to be fair and reasonable. In providing their advice, Wells Fargo, Barclays and J.P. Morgan Cazenove have taken into account the commercial assessments of the Schroders Directors.

Accordingly, the Schroders Directors intend unanimously to recommend that Schroders Shareholders vote in favour of the Scheme at the Court Meeting and the Schroders Resolution(s) at the General Meeting (or in the event that the Transaction is implemented by way of a Takeover Offer, to accept such offer) as the Schroders Directors who (or whose immediate family) hold Schroders Shares have irrevocably undertaken to do in respect of their own personal beneficial holdings of 11,265,149 Schroders Shares in total, representing, in aggregate, approximately 0.7 per cent. of Schroders' ordinary share capital in issue on the Latest Practicable Date. Each of these irrevocable undertakings remain binding in the event a higher competing offer is made for Schroders.

5. Background to and reasons for the recommendation

In March 2025, Schroders set out a three-year transformation programme to simplify its business, scale core strengths and deliver profitable growth, including targeting £150 million in annualised net cost savings, stabilising Public Markets revenues by 2027, driving £20 billion of cumulative net new business into Schroders Capital and achieving a 5 to 7 per cent. annual net new business rate in Wealth Management, with the objective of reducing the Schroders Group's adjusted cost to income ratio from around 75 per cent. to below 70 per cent.

Today, Schroders has unveiled its results for the financial year ended 31 December 2025. As these results demonstrate, Schroders is making significant progress against its three-year transformation programme, and this is reflected in the recent strong share price performance.

This positive momentum gives the board of Schroders confidence in the execution of its current strategy and the potential to deliver value for shareholders through an independent future. However, the board of Schroders is also aware of the risks and execution requirements associated with delivering that plan and sustaining profitable growth over the longer-term. It has considered a range of strategic alternatives over time, alongside its organic growth plans, including potential acquisitions, strategic partnerships, divestitures and combinations.

Therefore, after a series of approaches by Nuveen, the board of Schroders believes the terms of the Transaction represent attractive and certain value for shareholders, at an attractive multiple and premiums that reflect both the value that would have otherwise been delivered over time as Schroders executes its standalone strategy, as well as upfront value for the significant benefits that are expected to arise from the combination with Nuveen over the longer term.

Alongside the financial value of the Transaction, Nuveen has also committed to the safeguarding of existing employment and pension rights fully for Schroders Group employees for a period following the Transaction, the preservation of defining aspects of Schroders' heritage and culture, and new opportunities for Schroders employees that would not otherwise be available. This includes Nuveen's intention to retain Schroders' management and employees to ensure stability and continuity, the retention of the Schroders brand and London being the Combined Group's non-US headquarters, as well as Nuveen's intention (subject to an appropriate analysis at the time) to list on the London Stock Exchange as one of the dual listing venues, in the event that Nuveen and Bidco were to consider an initial public offering of Schroders or the Combined Group in future.

In light of these factors, the board of Schroders has concluded that the Transaction represents the most compelling long-term strategy for Schroders and value for Schroders Shareholders. It is accordingly intending unanimously to recommend the Transaction to Schroders Shareholders.

6. Irrevocable undertakings

Bidco has received irrevocable undertakings from the Principal Shareholder Group Trustee Companies to vote in favour of the Scheme at the Court Meeting and the Schroders Resolution(s) at the General Meeting (or in the event that the Transaction is implemented by way of a Takeover Offer, to accept such offer) in respect of 659,767,010 Schroders Shares in aggregate, representing approximately 41 per cent. of Schroders' issued share capital as at the Latest Practicable Date. Each of these irrevocable undertakings remain binding in the event a higher competing offer is made for Schroders, however, the undertakings incorporate a right to lapse in circumstances where the relevant shareholder has failed to obtain the approval of the undertaking from the Supreme Court of Bermuda or the Royal Court of Jersey (as applicable).

As described in paragraph 4 of this announcement, Bidco has also received irrevocable undertakings from the Schroders Directors who (or whose immediate family) hold Schroders Shares, including those directors connected to Schroders' Principal Shareholder Group in respect of their personal holdings, to vote in favour of the Scheme at the Court Meeting and the Schroders

Resolution(s) at the General Meeting (or in the event that the Transaction is implemented by way of a Takeover Offer, to accept such offer) in respect of their own personal beneficial holdings of 11,265,149 Schroders Shares in aggregate, representing approximately 0.7 per cent. of Schroders' issued share capital as at the Latest Practicable Date. Each of these irrevocable undertakings remain binding in the event a higher competing offer is made for Schroders.

Bidco has therefore received irrevocable undertakings in respect of 671,032,159 Schroders Shares in aggregate, representing approximately 42 per cent. of Schroders' issued share capital as at the Latest Practicable Date.

Further details of these irrevocable undertakings, including the circumstances in which they may lapse, are set out in Appendix 3 to this announcement.

7. Information relating to Schroders

Schroders is a global investment manager which provides active asset management, wealth management and investment solutions, with £824 billion of AUM as of 31 December 2025 (with 12 per cent. in the Americas, 64 per cent. in EMEA, and 25 per cent. in APAC). As a UK listed FTSE100 company, Schroders has c.5,700 employees across 38 locations.

Schroders' success can be attributed to its diversified business model, spanning different asset classes, client types and geographies. It offers innovative products and solutions through three core business divisions: Public Markets, Wealth Management, and Schroders Capital, which focuses on private markets, including private equity, renewable infrastructure investing, private debt & credit alternatives, and real estate.

Schroders aims to provide excellent investment performance to clients through active management. This means directing capital towards resilient businesses with sustainable business models, consistently with the investment goals of its clients. Schroders serves a diverse client base that includes pension schemes, insurance companies, sovereign wealth funds, endowments, foundations, high net worth individuals, family offices, as well as end clients through partnerships with distributors, financial advisers, and online platforms.

8. Schroders current trading

Schroders' current trading is in line with the details set out in its announcement of its results for the financial year ended 31 December 2025 released today.

9. Information relating to Bidco, Nuveen and TIAA

Bidco is a newly incorporated company directly wholly-owned by Nuveen which is, in turn, a direct wholly-owned subsidiary of TIAA. Bidco was formed for the purposes of the Transaction and has not traded since its date of incorporation, nor has it entered into any obligations other than in connection with the Transaction.

Nuveen, a global asset manager, offers a comprehensive range of outcome-focused investment solutions designed to secure the long-term financial goals of institutional and individual investors. Nuveen has \$1.4 trillion in AUM as of 31 December 2025 – with 93.5 per cent. in the Americas, 4 per cent. in EMEA and 2.5 per cent. in APAC – and operations in 26 countries. Its investment specialists offer deep expertise across a comprehensive range of public-to-private investments through a wide array of vehicles and customised strategies.

TIAA provides secure retirements and outcome-focused investment solutions to millions of people and thousands of institutions. TIAA has \$1.8 trillion in assets under management and administration and total statutory capital of \$49 billion as of 31 December 2025. Nuveen is the asset manager for TIAA.

10. Nuveen's intentions for the Schroders Group and its business

Nuveen's strategic plans for Schroders

Nuveen and Bidco believe the Transaction provides a unique opportunity to combine two highly complementary businesses to create one of the world's largest global asset managers with nearly \$2.5 trillion in AUM. The Combined Group will operate a powerful public-to-private platform with industry-leading investment capabilities, global reach and local presence.

Through the combination of Nuveen and Schroders' investment capabilities, the Combined Group will scale and expand the breadth of its product offering, enhancing the ability to meet the Combined Group's clients' increasingly complex needs as well as strengthening its investment teams.

The Combined Group will have global distribution reach, with Nuveen providing Schroders with access to US wealth and institutional distribution, and with Schroders providing Nuveen complementary access to wealth and institutional clients in the EMEA and Asia-Pacific regions.

With greater scale, the Combined Group will be able to accelerate the pace of investment into advanced technology and operations that will in turn accelerate growth and drive further efficiencies.

Following completion of the Transaction, Nuveen and Schroders will remain focused on enhanced customer outcomes and effective oversight of the Combined Group's business, while maintaining regulatory and operational resilience. Nuveen and Schroders will assess (over a 12 to 18 month period following the completion of the Transaction) opportunities for collaboration and effective integration across the Combined Group with a view to identifying the best means to deliver the anticipated benefits of the combination of the two groups (including how best to retain and motivate talent and align the existing incentive structure for Schroders' management and employees, as further set out below). It is expected that during this period (and for at least 12 months following the Effective Date), the Schroders Group will continue to operate as a standalone business, with the board of Schroders comprising its three current executive directors (being Richard Oldfield (CEO), Meagen Burnett (CFO) and Johanna Kyrklund (CIO)), a number of its current independent non-executive directors (to be agreed prior to the Effective Date) and a number of Nuveen directors.

Richard Oldfield will continue as CEO of Schroders and become a member of Nuveen's Executive Management Team, reporting to William Huffman, the CEO of Nuveen.

Management and employees

Nuveen and Bidco attach great importance to the skills and experience of Schroders' management and employees and recognise that they will be key to the continued success of the Combined Group. Nuveen and Bidco acknowledge the importance of Schroders' legacy as a responsible employer, with an inclusive culture crucial to its long-term success. Nuveen and Bidco share these values and intend to maintain this approach of fostering a positive and inclusive workforce environment. Nuveen and Bidco believe that the Transaction will bring together two businesses with strongly aligned cultural values, with Schroders and Nuveen employees benefitting from being part of a larger, more diversified Combined Group and one that offers enhanced career development, increased mobility and greater opportunities for its employees.

Nuveen and Bidco have not yet developed detailed integration plans for the Combined Group, but will be focused on retaining and motivating the best talent across the Combined Group, whether from Nuveen or Schroders. Nuveen and Bidco intend that any such detailed integration plans will be developed as part of the assessment of opportunities taking place during the 12 to 18 month period referred to above.

For a period of two years following the Effective Date, Nuveen and Bidco do not intend to make any material reductions in the employee base of Schroders, other than reductions arising from the removal of listed company-focused roles.

Further, to the extent that there are workforce changes or redundancies relating to Schroders' operations as a result of the Transaction, Nuveen and Bidco confirm that they would align the approach to such affected Schroders employees for a period of two years following the Effective Date to be consistent in all material respects with Schroders' existing arrangements in relation to redundancy and severance terms, including good leaver status. All workforce changes would be subject to appropriate planning and engagement with affected employees and their representatives, including as required by applicable law.

Nuveen and Bidco confirm that the existing employment rights, including pensions rights, of all employees of Schroders would be fully safeguarded. It is expected that, with effect from the Effective Date, a number of the non-executive directors of Schroders will resign from their office as directors of Schroders (identities of whom are to be agreed prior to the Effective Date). Nuveen and Bidco recognise and value the importance of effective governance and oversight. The Nuveen Executive Management Team will provide this across the Combined Group but with appropriate independent oversight being maintained in relation to relevant regulated entities within the Combined Group in accordance with applicable law and regulation.

Other than as set out in this paragraph, Nuveen and Bidco do not anticipate any material change in the conditions of employment or the balance of skills and functions of employees and management of Schroders.

Brand, heritage and sustainability initiatives

Nuveen and Bidco recognise Schroders' position as a pre-eminent financial institution with a deep-rooted history and strong brand recognition, similar to Nuveen and TIAA. Accordingly, Nuveen and Bidco plan to strategically maximise each brand with a commitment to serving all clients around the world.

Nuveen and Bidco intend to maintain the Schroders brand to minimise the impact on clients and employees and to drive growth. In addition, they confirm that the Schroders brand would be used solely in connection with providing financial services.

Nuveen and Bidco also recognise Schroders' reputation with regards to sustainability and intend to maintain these initiatives.

Retention arrangement and management incentive arrangements

Nuveen and Bidco recognise the importance of retaining Schroders' management and employees to ensure stability and continuity and to drive continued success and growth of Schroders' business. Accordingly, Nuveen and Bidco have agreed for Schroders to establish post-Transaction retention arrangements with a value of at least an aggregate amount of £175 million which will be put in place with a number of selected employees throughout the Schroders business in accordance with the Co-operation Agreement. No discussions have taken place on the distribution of the retention amount referred to above (including if that is to take place before or after the Effective Date).

Separately, Nuveen and Bidco intend to carry out a comprehensive assessment of the existing incentive structure for Schroders' management and employees during the 12 to 18 month period following completion of the Transaction with a view to aligning them with Nuveen's incentive philosophy. Nuveen and Bidco have not entered into and have not discussed any form of incentivisation arrangements with members of Schroders' management but may enter into such discussions for certain members of the Schroders' management team following the Effective Date.

Pensions

Schroders has a UK occupational pension scheme, the Schroders Retirement Benefit Scheme (the “**UK Pension Scheme**”), which provides both defined benefit and defined contribution pension benefits. The defined benefit section of the UK Pension Scheme was closed to new members and to future accrual on 30 April 2011. As at the last formal actuarial valuation of the UK Pension Scheme (with an effective date of 31 December 2023), the UK Pension Scheme was assessed to have a surplus on both the technical provisions and buyout funding basis. Schroders also has defined benefit schemes in Finland, Germany and Poland, and a legacy scheme in Taiwan (together, the “**Other Pension Schemes**”). Nuveen and Bidco have no intention to make any changes with regard to employer contributions into the UK Pension Scheme or the Other Pension Schemes (including with regard to current arrangements for the funding), the accrual of benefits for existing members, and the admission of new members. Nuveen and Bidco have no intention to make any changes with regard to employer contributions into defined contribution schemes for Schroders’ employees outside of the US.

Nuveen currently operates 401k retirement benefit plans in the US. Nuveen and Bidco expect that, following the Effective Date, Schroders’ US employees would participate in Nuveen’s existing retirement benefit plans.

Locations, headquarters and research and development

Nuveen and Bidco intend for the Combined Group to deliver significant benefits to the UK as a global financial centre, enabling more long-term capital to be channelled into the economy by deepening the pool of investment expertise and capital, whilst reinforcing London’s role in global asset and wealth management.

Nuveen and Bidco intend to retain Schroders’ headquarters and headquarter functions (save for possible headcount reductions related to listed company focused roles referred to above) in the UK. With key leadership roles based in the UK, London would be the Combined Group’s non-US headquarters and its largest office, with c.3,100 professionals across both businesses.

Further, Nuveen and Bidco intend to maintain continuity within Schroders’ existing investment and client facing functions (including in relation to wealth management) in each of the markets in which Schroders has an existing footprint.

Recognising Schroders’ commitment to supporting the UK capital markets, in the event that Nuveen and Bidco were to consider an initial public offering of Schroders or the Combined Group in future, Nuveen and Bidco would (subject to an appropriate analysis at the time) intend to list on the London Stock Exchange as one of the dual listing venues.

Nuveen and Bidco have no plans to redeploy any fixed assets of Schroders. Nuveen and Bidco do not intend to make any changes to Schroders’ research and development functions.

Trading facilities

Schroders Shares

The Schroders Shares are currently admitted to listing on the Official List of the FCA and to trading on the London Stock Exchange. As set out in paragraph 17 of this announcement, it is intended that, shortly before the Effective Date, applications will be made to the FCA and the London Stock Exchange to cancel, respectively, the admission to listing and trading of the Schroders Shares, with such cancellations expected to take effect on or shortly after the Effective Date. Following the Effective Date, it is intended that Schroders will be re-registered as a private limited company.

Schroders' Tier 2 Notes

Schroders has in issue £250 million fixed rate reset callable subordinated tier 2 notes with a maturity date of 18 July 2034 (the "**Tier 2 Notes**"). These Tier 2 Notes are not "relevant securities" of Schroders under the Code and accordingly Bidco is not required to make a separate offer for them. Nuveen and Bidco have no intention to change the terms and conditions of the Tier 2 Notes following completion of the Transaction.

No post-offer undertakings

None of the statements in this paragraph 10 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

11. Dividends

Any dividend (or dividends) declared or paid on or after the date of this announcement and prior to the Effective Date which do not, in aggregate, exceed 22 pence per Schroders Share (the "**Permitted Dividend Amount**"), including (for the avoidance of doubt) the final dividend to be declared by Schroders in respect of the financial year ending 31 December 2025 shall be a "**Permitted Dividend**". Any amount in excess of the Permitted Dividend Amount shall constitute a dividend that is not a Permitted Dividend.

If a Permitted Dividend is declared with a record date prior to the Effective Date: (i) Schroders Shareholders shall be entitled to receive and retain such Permitted Dividend; (ii) Bidco shall have no entitlement in relation to such Permitted Dividend; and (iii) the declaration and payment of such Permitted Dividend shall not affect or reduce the Cash Consideration in any way.

Today, the board of Schroders announced that it is proposing a final dividend of 15 pence per Schroders Share in respect of the financial year ended 31 December 2025. If such dividend is declared prior to the Effective Date, it shall constitute a Permitted Dividend. The board of Schroders currently expects to also declare an interim dividend of 7 pence per Schroders Share in respect of the six months ending 30 June 2026.

If, on or after the date of this announcement and before the Effective Date, any dividend, distribution or other return of capital or value is announced, declared, made or paid by Schroders or becomes payable by Schroders in respect of the Schroders Shares, Bidco reserves the right to reduce the Cash Consideration that would be payable for the Schroders Shares pursuant to the Transaction by an amount up to (i) in the case of dividends, only the amount by which such dividend(s), taken in aggregate, exceed the Permitted Dividend Amount; or (ii) in the case of any other distribution or return of capital, an amount up to the entire value of such distribution or return of capital (valued on a per-Schroders Share basis).

12. Share Plans

Participants in Schroders Share Plans will be contacted regarding the effect of the Transaction on their rights under these plans and, where applicable, provided with further details concerning the proposals which will be made to them in due course. Details of the effect of the Transaction on the Schroders Share Plans and the proposals will be set out in the Scheme Document (or, as the case may be, the Offer Document) and in separate letters to be sent to participants in the Schroders Share Plans.

13. Financing of the Transaction

The Cash Consideration payable under the terms of the Transaction will be funded by: (i) the TIAA Group's existing cash resources; and (ii) a committed debt facility of up to £3.1 billion provided by BNPP pursuant to the terms of the Credit Agreement. It is currently contemplated that the funding described at (i) and (ii) above may be replaced, in whole or in part, by cash resources raised pursuant to debt issuances by the TIAA Group on or prior to the Effective Date.

BNP Paribas, in its capacity as financial adviser to Bidco, is satisfied that sufficient resources are available to Bidco to satisfy in full the Cash Consideration payable to Schroders Shareholders under the terms of the Transaction.

Further information on the financing of the Transaction will be set out in the Scheme Document.

14. Offer-related arrangements

Confidentiality Agreement

Nuveen and Schroders entered into a confidentiality agreement dated 25 January 2026 (the "**Confidentiality Agreement**") pursuant to which each party has undertaken to: (i) keep confidential information relating to, inter alia, the Transaction and the other party confidential and not to disclose it to third parties (other than to certain permitted parties) unless required by law or regulation; and (ii) use the confidential information only in connection with the Transaction, unless required by law or regulation. Nuveen and Schroders have each also agreed to customary non-solicitation obligations and Nuveen, along with its affiliates, has agreed to certain standstill undertakings.

The confidentiality obligations shall remain in force for 3 years from the date of the Confidentiality Agreement except where expressly provided otherwise in the terms of the Confidentiality Agreement.

Clean Team Agreement

Nuveen and Schroders entered into a clean team agreement dated 28 January 2026 (the "**Clean Team Agreement**") which sets out, among other things, how confidential information that is competitively sensitive can be disclosed, used or shared between Nuveen's clean team individuals and/or external advisers and Schroders' clean team individuals and/or external advisers.

Joint Defence Agreement

Nuveen and Schroders and their respective external counsel entered into a joint defence agreement dated 28 January 2026 (the "**Joint Defence Agreement**") the purpose of which is to ensure that the exchange and/or disclosure of certain materials relating to the parties and in relation to, in particular, the antitrust and regulatory workstream only takes place between their respective external counsel and external experts, and does not diminish in any way the confidentiality of such materials and does not result in a waiver of any privilege, right or immunity that might otherwise be available.

Co-operation Agreement

On the date of this announcement, Nuveen and Schroders entered into a co-operation agreement (the "**Co-operation Agreement**") in relation to the Transaction. Pursuant to the Co-operation Agreement, among other things:

- Nuveen has agreed to take, or cause to be taken, all such actions as may be required and/or necessary to satisfy, or procure the satisfaction of, the Conditions set out in paragraphs 3 to 7 (inclusive) of Part A of Appendix 1 to this announcement as soon as is reasonably practicable and in any event in sufficient time to enable the Effective Date to occur prior to the Long-Stop Date;
- Nuveen and Schroders have agreed to certain customary undertakings to co-operate in relation to the satisfaction of such Conditions;
- Nuveen and Schroders have agreed to certain arrangements in relation to the payment of dividends, as summarised in paragraph 11 above;

- Nuveen and Schroders have agreed to certain provisions that shall apply with respect to the Schroders Share Plans, its other incentive arrangements and other employee-related matters (further details of which will be provided in the Scheme Document); and
- Nuveen has agreed to provide Schroders with certain information for the purposes of the Scheme Document and otherwise assist with the preparation of the Scheme Document.

The Co-operation Agreement records the intention of Nuveen and Schroders to implement the Transaction by way of Scheme, subject to Nuveen's right to switch to a Takeover Offer in certain circumstances. Nuveen and Schroders have agreed to certain customary provisions if the Scheme should switch to a Takeover Offer.

The Co-operation Agreement shall be terminated with immediate effect:

- if Nuveen and Schroders so agree in writing;
- upon service of written notice by Nuveen to Schroders, if the Schroders Directors change their recommendation in respect of the Transaction;
- upon service of written notice by either Nuveen or Schroders to the other if: (i) prior to the Long-Stop Date, a third party offer for Schroders becomes effective or is declared or becomes unconditional; (ii) if the Transaction (whether implemented by way of the Scheme or the Takeover Offer) is withdrawn, terminates or lapses in accordance with its terms and (where required) with the permission of the Panel, unless such lapse or withdrawal: (a) is as a result of Nuveen's right to switch to a Takeover Offer; or (b) is to be followed promptly by a firm intention announcement (under Rule 2.7 of the Code) made by Nuveen or any person acting in concert with Nuveen to implement the Transaction by a different offer or scheme on substantially the same or improved terms, and such announcement is made within 5 Business Days of such lapse or withdrawal; (iii) prior to the Long-Stop Date: (a) any Condition which has not been waived is (or has become) incapable of satisfaction by the Long-Stop Date and, notwithstanding that it has the right to waive such Condition, Nuveen has stated in writing that it shall not do so; or (b) any Condition which is incapable of waiver is (or has become) incapable of satisfaction by the Long-Stop Date, in each case in circumstances where the invocation of the relevant Condition is permitted by the Panel; (iv) if the Scheme is not approved at the Court Meeting, the Schroders Resolution(s) are not passed at the General Meeting or the Court refuses to sanction the Scheme; or (v) unless otherwise agreed by Nuveen and Schroders in writing or required by the Panel, the Effective Date has not occurred by the Long-Stop Date; and
- if the Effective Date occurs.

15. Scheme of Arrangement

It is intended that the Transaction will be effected by a Court-sanctioned scheme of arrangement between Schroders and the Scheme Shareholders under Part 26 of the Companies Act 2006. Bidco reserves the right to elect to effect the Transaction by way of a Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement.

The purpose of the Scheme is to provide for Bidco to become the owner of the entire issued and to be issued share capital of Schroders. Under the Scheme, the Transaction is to be achieved by the transfer of the Scheme Shares held by Scheme Shareholders to Bidco in consideration for which Scheme Shareholders will receive the Cash Consideration on the basis set out in paragraph 2 of this announcement. The process involves, amongst other things, an application by Schroders to the Court to sanction the Scheme.

The Transaction will be subject to the Conditions and further terms and conditions referred to in Appendix 1 to this announcement and to be set out in the Scheme Document. The Scheme shall only become effective if, among other things, the following events occur on or before the Long-Stop Date:

- the approval of the Scheme by a majority in number of the Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, representing not less than 75 per cent. of the Scheme Shares validly voted by such Scheme Shareholders;
- the passing of a special resolution at the General Meeting, requiring the approval of Schroders Shareholders representing at least 75 per cent. of the votes validly cast at the General Meeting (either in person or by proxy);
- certain regulatory, antitrust and foreign investment approvals as described in Appendix 1 to this announcement are obtained (or waived, as applicable);
- following the Meetings, the Scheme is sanctioned by the Court (with or without modification but subject to any modification being on terms acceptable to Bidco and Schroders); and
- following such sanction, the delivery of a copy of the Scheme Court Order to the Registrar of Companies.

The Conditions in paragraph 2 of Part A of Appendix 1 to this announcement provide that the Scheme will lapse if:

- the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date, if any, (a) as Bidco and Schroders may agree or (b) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow);
- the Scheme Court Hearing is not held on or before the 22nd day after the expected date of such hearing to be set out in the Scheme Document in due course (or such later date, if any, (a) as Bidco and Schroders may agree or (b) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow); or
- the Scheme does not become Effective on or before the Long Stop Date (or such later date, if any, (a) as Bidco and Schroders may agree or (b) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow).

Upon the Scheme becoming Effective, it will be binding on all Schroders Shareholders, irrespective of whether or not they attended or voted or how they voted at the Meetings. The Cash Consideration will be despatched by Bidco to Scheme Shareholders no later than 14 days after the Effective Date.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting, the General Meeting and the expected timetable. The Scheme Document will specify the action to be taken by Schroders Shareholders and will contain an expected timetable for implementation of the Scheme. The Scheme Document and Forms of Proxy will be sent to Schroders Shareholders as soon as reasonably practicable and in any event within 28 days of this announcement (unless the Panel consents to a later date) and the Court Meeting and General Meeting are expected to be held in April 2026.

The Scheme will be governed by English law. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the FCA. The bases and sources of certain information contained in this announcement are set

out in Appendix 2 to this announcement. Certain terms used in this announcement are defined in Appendix 4 to this announcement.

16. Disclosure of Interests

As at 10 February 2026, persons acting in concert (within the meaning of the Code) with Bidco had the following interests in Schroders Shares (all of which were acquired as part of ordinary course asset management activities):

Name	Number of Schroders Shares	Percentage of Schroders issued share capital
Nuveen Asset Management LLC	112,381	0.0070%
Teachers Advisors LLC	1,615,268	0.1003%
TIAA-CREF Investment Management, LLC	4,273,273	0.2653%
Total	6,000,922	0.3726%

* Rounded to four decimal places

Except for the irrevocable undertakings referred to in paragraphs 4 and 6 of this announcement and Appendix 3 to this announcement and save as disclosed above, as at the close of business on 10 February 2026, neither Bidco, nor any of its directors, nor, so far as Bidco is aware, any person acting in concert (within the meaning of the Code) with Bidco has:

- any interest in, or right to subscribe for, any Schroders Shares;
- any short position in Schroders Shares, including any short position under a derivative, any agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of Schroders Shares;
- any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Code, in relation to Schroders Shares or in relation to any securities convertible or exchangeable into Schroders Shares; nor
- borrowed or lent any Schroders Shares or entered into any financial collateral arrangements relating to Schroders Shares.

“**Interests in securities**” for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an “interest” by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

It has not been possible for Bidco to make enquiries of all of its concert parties in advance of the release of this announcement. Therefore, if Bidco becomes aware, following the making of such enquiries, that any of its concert parties have any interests in relevant securities of Schroders, all relevant details in respect of Bidco's concert parties will be included in the Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Code which must be made on or before 12 noon (London time) on 26 February 2026.

17. Delisting and re-registration

Prior to the Scheme becoming Effective, it is intended that an application will be made to the FCA and the London Stock Exchange to, subject to the Transaction becoming Effective, cancel the listing of Schroders Shares on the Official List and the trading of Schroders Shares on the London Stock Exchange respectively, with effect from or shortly following the Effective Date.

The last day of dealings in, and registration of transfers of, Schroders Shares on the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6:00 p.m. (London time) on that date.

If the Transaction is effected by way of a Takeover Offer, it is anticipated that the cancellation of Schroders' listing on the Official List and admission to trading on the London Stock Exchange will take effect no earlier than 20 Business Days following the date on which the Takeover Offer becomes or is declared unconditional provided Bidco has obtained 75 per cent. or more of the voting rights of Schroders.

On the Effective Date, share certificates in respect of Schroders Shares will cease to be valid and entitlements to Schroders Shares held within the CREST system will be cancelled. Schroders Shareholders shall be required to return share certificates to Schroders or destroy them following the Effective Date.

Following the Effective Date, it is intended that Schroders will be re-registered as a private limited company.

Schroders' Tier 2 Notes are not "relevant securities" of Schroders under the Code and accordingly Bidco is not required to make a separate offer for them. Bidco has no intention to change the terms and conditions of the Tier 2 Notes following the Effective Date.

18. Consents

BNP Paribas, Wells Fargo, Barclays, J.P. Morgan Cazenove and each of the Principal Shareholder Group Trustee Companies have each given and not withdrawn their consent to the publication of this announcement with the inclusion herein of the references to their names in the form and content in which they appear.

19. Documents available on website

Copies of the following documents will be made available on Nuveen's and Schroders' websites at <https://www.nuveen.com/en-us/nuveen-recommended-offer-for-schroders> and www.schroders.com/nuveenoffer respectively until the end of the offer:

- the written consent letters from each of BNP Paribas, Wells Fargo, Barclays and J.P. Morgan Cazenove as referred to in paragraph 18 of this announcement.

The contents of the websites referred to in this announcement are not incorporated into and do not form part of this announcement.

20. General

Schroders Shares which will be acquired pursuant to the Transaction will be acquired fully paid and free from all liens, charges, equitable interests, options, encumbrances and rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching or accruing thereto on and from the Effective Date including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid or any other return of capital or value (whether by reduction of share capital or share premium, share buy-backs or otherwise) by reference to a record date falling on or after the Effective Date.

Bidco reserves the right to elect, with the consent of the Panel, and subject to the terms and conditions of the Co-operation Agreement, to implement the Transaction by way of a Takeover Offer as an alternative to the Scheme. In such an event, a Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme.

If the Transaction is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional and sufficient acceptances are received, Bidco intends to: (i) request the London Stock Exchange and the FCA to cancel trading in Schroders Shares on the London Stock Exchange and the listing of Schroders Shares from the Official List; and (ii) exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act 2006 to acquire compulsorily the remaining Schroders Shares in respect of which the Takeover Offer has not been accepted.

The Transaction will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Scheme Document. Appendix 2 to this announcement contains the sources of information and the bases of calculation contained in this announcement. Details of the irrevocable undertakings in relation to the Transaction are set out in Appendix 3 to this announcement. Certain terms used in this announcement are defined in Appendix 4 to this announcement.

Part B

Further terms of the Transaction

1. Conditions 2(A), 2(B), 3 to 13 (inclusive) set out in Part A of this Appendix 1 must each be fulfilled or (if capable of waiver) be waived by Bidco prior to the commencement of the Scheme Court Hearing, failing which the Scheme will lapse.
2. Notwithstanding paragraph 1 of this Part B of this Appendix 1 above, and subject to the requirements of the Panel in accordance with the Code, Bidco reserves the right in its sole discretion to waive:
 - (A) the deadlines set out in Condition 1 of Part A of this Appendix 1 and any of the deadlines set out in Conditions 2(A)(ii), 2(B)(ii) and 2(C)(ii) of Part A of this Appendix 1 for the timing of the Court Meeting, General Meeting and/or the Scheme Court Hearing. If any such deadline is not met, Bidco shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Schrodgers (or, as the case may be, the Panel) to extend the deadline in relation to the relevant Condition. For the avoidance of doubt, the Conditions set out in paragraphs 2(A)(i), 2(B)(i) and 2(C)(i) of Part A of this Appendix 1 above cannot be waived; and
 - (B) in whole or in part, all or any of the above Conditions set out in paragraphs 3 to 13 (inclusive) of Part A of this Appendix 1 above.
3. Bidco shall be under no obligation to waive or treat as satisfied any of the Conditions in Part A of this Appendix 1 that it is entitled (with the consent of the Panel and subject to the requirements of the Code) to waive, by a date earlier than the latest date specified above for the waiver or fulfilment of the relevant Condition, notwithstanding that the other Conditions to the Transaction may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Condition(s) may not be capable of fulfilment.
4. Under Rule 13.5(a) of the Code and subject to paragraph 6 of this Part B of this Appendix 1, Bidco may only invoke a Condition to the Transaction that is subject to Rule 13.5(a) of the Code so as to cause the Transaction not to proceed, to lapse or to be withdrawn with the consent of the Panel and any Condition that is subject to Rule 13.5(a) of the Code may be waived by Bidco. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Transaction. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
5. Conditions 1 and 2 of Part A of this Appendix 1, and if applicable, any acceptance condition if the Transaction is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Code.
6. If Bidco is required by the Panel to make an offer for Schrodgers Shares under the provisions of Rule 9 of the Code, Bidco may make such alterations to any of the above Conditions and the terms of the Transaction strictly as are necessary to comply with the provisions of Rule 9.
7. Schrodgers Shares which will be acquired under the Transaction will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights attaching or accruing to them on and from the Effective Date, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions and any return of

capital or value (whether by reduction of share capital or share premium account, share buy-backs or otherwise) declared, made, paid or becoming payable by reference to a record date falling on or after the Effective Date.

8. Subject to the terms of the Transaction, if, on or after the date of this announcement and prior to or on the Effective Date, any dividend, distribution and/or other return of capital or value is announced, declared, made, payable or paid in respect of the Schroders Shares, and with a record date prior to the Effective Date, other than, or in excess of, the Permitted Dividends, Bidco reserves the right to reduce the consideration payable under the terms of the Transaction by an amount up to the amount of such dividend and/or distribution and/or return of capital or value. If (but only to the extent) Bidco exercises this right or makes such a reduction in respect of a dividend or other distribution, Schroders Shareholders will be entitled to receive and retain any such dividend and/or other distribution and/or return of capital or value authorised, declared, made or paid. Any exercise by Bidco of its rights referred to in this paragraph 8 of this Part B of this Appendix 1 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Transaction.
9. Bidco reserves the right (with the consent of the Panel (where necessary) and subject to the terms of the Co-operation Agreement) to elect to implement the Transaction by way of a Takeover Offer. If the Transaction is implemented by way of a Takeover Offer, such Takeover Offer will be implemented on substantially the same terms, subject to appropriate amendments, to reflect the change in method of effecting the Transaction, including (without limitation) an acceptance condition set at 75 per cent. (or such other percentage as Bidco may decide after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the Schroders Shares), so far as applicable, as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Schroders Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act 2006 to acquire compulsorily any outstanding Schroders Shares to which such Takeover Offer relates.
10. The availability of the Transaction to persons not resident in the UK may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the UK should inform themselves about and observe any applicable legal and regulatory requirements.
11. The Transaction will not be made, directly or indirectly, in or into, or by use of the mails of, or by any means or instrumentality (including, without limitation, facsimile transmission, telex, telephone, internet or e-mail) of interstate or foreign commerce of, or of any facility of a national securities exchange of, any Restricted Jurisdiction and the Transaction will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.
12. The Transaction will be governed by English law and is subject to the jurisdiction of the English courts, to the Conditions and further terms set out in this Appendix 1 to this announcement, and to the full terms and Conditions to be set out in the Scheme Document. Appendix 2

SOURCES OF INFORMATION AND BASES OF CALCULATION

In this announcement, unless otherwise stated or the context otherwise requires, the following bases and sources have been used:

1. As of the close of business on the Latest Practicable Date, Schroders had in issue 1,612,071,525 ordinary shares of 20 pence each, each carrying one vote. Of those, 1,360,247 ordinary shares are held in treasury. The total number of voting rights in Schroders is therefore 1,610,711,278. It is anticipated that no further Schroders Shares will be issued prior to the Effective Date.
2. All percentages of Schroders' issued share capital are based on the 1,610,711,278 Schroders Shares in issue, excluding Schroders Shares held in treasury.
3. The Transaction value attributed to the entire issued and to be issued ordinary share capital of £9.9 billion, is calculated based on the total value of up to 612 pence per Schroders Share multiplied by the total number of Schroders Shares in issue (set out in paragraph 1 above). The total value of 612 pence per Schroders Share assumes that the Permitted Dividends are declared or paid in full prior to the Effective Date, such that the value per Schroders Share comprises the Cash Consideration of 590 pence per Schroders Share and Permitted Dividends of 22 pence.
4. The implied multiple of 17 times Schroders' adjusted operating profit after tax attributable to equity holders of Schroders is calculated as the Transaction value of £9.9 billion (set out in paragraph 3 above) divided by the adjusted operating profit after tax attributable to equity holders of Schroders of £579.9 million for the financial year ended 31 December 2025.
5. The Closing Price of Schroders Shares has been sourced from Bloomberg and the volume-weighted average price of Schroders Shares has been sourced from Bloomberg.
6. Unless otherwise stated, the financial information on Schroders is extracted (without material adjustment) from Schroders' announcement of its results for the financial year ended 31 December 2025.
7. Unless otherwise stated, AUM figures for both Schroders and Nuveen are as of 31 December 2025. The exchange rate used for the conversion of £ into \$ is 1.3459, and is derived from Bloomberg, as of 4:30 p.m. London time on 31 December 2025.
8. Exchange rates have been derived from Bloomberg and have been rounded to the nearest four decimal places.
9. Certain figures included in this announcement have been subject to rounding adjustments.
