### **June 30, 2021 NAV Per Share**

We calculate NAV per share in accordance with the valuation guidelines that have been approved by our board of directors. Our NAV per share, which is updated as of the last calendar day of each month, is posted on our website at [www.nuveenglobalreit.com](http://www.nuveenglobalreit.com). Please refer to “Net Asset Value Calculation and Valuation Guidelines” in the Prospectus for information on how our NAV is determined. The Advisor is ultimately responsible for determining our NAV. As of June 30, 2021, our properties have been appraised in accordance with our valuation guidelines and such appraisals were reviewed by our independent valuation advisor.

The following table provides a breakdown of the major components of our NAV as of June 30, 2021 (\$ and shares in thousands):
