

## Nuveen 2025 Utah Shareholder Specific Information

Interest from certain bonds, notes, and other evidences of indebtedness issued by non-federal governmental entities outside of Utah are subject to Utah income tax unless:

- 1) The bonds were acquired prior to January 1, 2003; or
- 2) The issuing state (or political subdivision) does not impose an income tax on bonds issued by Utah or
- 3) The issuing state does not impose an income tax

*For information on how to report this on your Utah individual tax return, please contact your tax advisor.*

The following table provides the percentage of federally exempt-interest dividends included on box 12 of your 2025 1099-DIV that meet the above-mentioned exceptions and therefore may not be subject to Utah state income tax:
