HOW TO VOTE:

Your Board unanimously recommends voting on the **white** proxy card:

For the Board's three qualified nominees

- ✓ JOANNE T. MEDERO
- ✓ LOREN M. STARR
- ✓ MATTHEW THORNTON III

Against the proposal to terminate the Fund's investment advisory agreement

DO NOT SIGN OR RETURN ANY CARD SENT TO YOU BY KARPUS, EVEN TO VOTE "AGAINST" OR TO "WITHHOLD" WITH RESPECT TO ITS PROPOSALS.

At the upcoming annual meeting, activist investor Karpus Management, Inc. ("Karpus") is attempting to fire Nuveen as Fund manager and oust your qualified Trustees to install their own hand-picked nominees. Karpus' actions would disrupt the strong momentum your Board and management team has achieved and force NRK's future into an uncertain situation.
